Give to Scout Drive

CALLING ATTENTION to the Joint Boy Scout-Girl Scout Fund Drive for the Greater Diablo Area, which starts today, are these three Pleasant Hill Scouts. Left to right are Explorer Scout Gary Green of Post 333, Boy Scout Gary Seaton of Troop 205 and Cub Scout Alan Kernes of Pack 58.

Writ Dismissal Sought as Board Awaits Court Ruling on Garbage Injunction

With a new Central Contra Costa Sanitary District Board of Directors in office, Attorney David A. Dolgin of Martinez stated yesterday he expects to ask on Monday for dismissal of the temporary restraining order against the board in connection with the controversial garbage franchising ordinance.

The ordinance, a key issue in the recent election campaign, was passed by the old board last month. Dolgin and Attorney Robert Condon, representing Boyd Olney Jr. of Pacheco, independent garbage collector, obtained the restraining order from Superior Judge Hugh H. Donovan on September 3, preventing the Sanitary Board from entering into an exclusive garbage franchise with anyone.

On September 12, at request of Attorney Francis T. Cornish, repre-

senting Sanitary District Director William Malott, the matter was continued to last Monday.

ON MONDAY Dolgin, with agreeing stipulations from Cornish and John A. Nejedly, Sanitary District attorney, asked for a continuance to next Monday.

'Reason for the request was that the new board was to take office last Monday night and I was hoping the ordinance would be rescinded," Dolgin explained.

HOWEVER, when the new board met, it declined to agree to Dolgin's request that the ordinance be rescinded. Ernest Spiegl of Orinda, Frank W. Salfingere of Gregory Gardens and Irving C. Roemer of Lafayette, the new board members, were sworn in at the start of the session.

Nejedly declared that the garbage franchise was a secondary issue — that the real problem was "the challenge raised in the restraining order which could effect the validity of all our ordiances, past and future."

Directors agreed a Superior Court decision on district legal procedures would be valuable. Spiegl said, "I for one do not wish to take any precipitate action until a full study has been made."

BOARD CHAIRMAN Elliott Johnson said to Dolgin: "It's not going to hurt you to leave it right where it is for the time being. The ordinance is only permissive, anyway. We are not going to call for any bids."

Dolgin stated yesterday he expected to ask for dismissal of the restraining order "without prejudice," since the majority of the new board is opposed to the ordinance and, in his opinion, not likely to do anything obout it.

On motion of Spiegl, Johnson was retained as board chairman, "for the good of the district." Malott, the other holdover director, was named vice-chairman, on motion by Roemer. Reappointment of Colonel H. M. Smitten as board secretary was not acted upon "pending further discussion. This means that Smitten remains secretary unless other action is taken.

Directors Adopt Committee List For Association

Tentative committees of the Orinda Association which had been named by the Civic Affairs Committee were adopted by the Board of Directors Monday night.

Committees named are:

Incorporation study, Ernest Spiegl, chairman, Frank Cayting and Ramsay Underwood; Roads, Everett Howe, chairman, Horace Breed, Nathan Gray, Ramsay Underwood and Harold Jones; Planning, Joe Creighton, chairman, Ned Fowler, Bill Mott, Don Sigerson.

Sanitary District, J. Lee Center, chairman; B. F. Barrows, Eugene Shurtleff and Joe De Costa; Community Center, Kirk Miles, chairman; R. Anthonisen, Robert Harrison ;Library, Gottfried Hesse, chairman, Andy Blalock, Anne Sanford.

Beautification, Harold Rote, chairman, Martha Courtright and Mrs. D. M. Jonte; Arbor Day, Rudy Grah; Membership, Charles Blue; Nominating, Marvin Bonds and Kirk Miles; "Meet the Candidates Night," Kendric Morrish.

ALSO BRIEFLY discussed during the meeting, which was held at Orinda School, was the need of a Community Center building for this area.

Although no action was taken, it was hoped that a campaign for a building could be started shortly.

Jack Buchter offered to make a sketch of the building when the drive is ready to get under way.

Jack Cooper was named to work with Ken Morrish on plans for the "Meet the Candidates Night." Cooper was told to check with Clint Hallsted, chairman of the Civic Affairs Committee, on any progress which may have been made so far.

As soon as a date is set, speakers for the program will be contacted.

BOTH CHARLES BLUE, board secretary, and Harry Lacey were asked to work on a form letter to be sent to all persons moving into Orinda. This letter will tell of the association and ask new residents if they would like to become members.

Lacey was also named to work with Andy Blalock on the Orinda News. It will be Lacey's duty to inform Blalock on board news and help with the paper in any way possible.

The board thanked Peter Veitch for his work in taking a survey of Orinda in order to determine if any section in Orinda would come under a special Pacific Gas and Electric Company rate area .(This survey is now under study by the Public Utilities Commission.)

A letter from the Orinda Union School District giving the board permission to use the school for its meetings was read.

Board members present included President Stanley Allen, Secretary Charles Blue, Jack Cooper, Peter Veitch, Everett Howe, Kirk Miles, Jack Buchter and Harry Lacey.

Polio Strikes Six Youngsters In This Area

Polio has stricken six youngsters in this area during the past week, Dr. H. L. Blum, county health director, reported yesterday.

In Lafayette, four youngsters have been hit by the disease. On Tuesday, a four-year-old girl and a six-year-old girl were reported to have contacted polio. On Wednesday another six-year-old girl victim was reported and an eight-year-old boy was stricken.

One 10-year-old girl in Orinda was reported with polio on Wednesday, and yesterday a five-year-old boy in Walnut Creek contacted the disease.

"So far, only minor cases have been reported," Dr. Blum said.

Last year at this time there were but three cases of polio in the area.

Sewage and flies are two of the many ways youngsters contact the disease, Dr. Blum said.

No New Sleeping Sickness Victims Reported in Area

There have been no new cases of encephalitis (sleeping sickness) reported in this area during the past week, according to Dr. H. L. Blum, county health director.

"A few suspected cases have developed in the county," Dr. Blum said, "but nothing definite has been reported."

Victims in Lafayette and Orinda are coming along "as can be expected," Dr. Blum reported.

AFTER VICTIMS recover, an idea has been suggested whereby a post card will be sent to them once a year for the rest of their lives. This card would serve merely to keep a check on the victims and their condition. This idea is only in the planning stage, Dr. Blum said.

The boundaries of three proposed new mosquito abatement districts will be discussed during next week's meeting of the County Board of Supervisors.

THESE PROPOSED districts include the Concord, Briones and Richmond areas.

Orinda, Lafayette and Walnut Creek are included in Mosquito Abatement District No. 1, according to Ernest Campbell, manager of the district. Only Moraga and a section west of Pleasant Hill near Walnut Creek are not in this district.

Last week, encephalitis took the first life in the county — a Pittsburg man.

Oakland Police Officer Cleared Of Orinda Charge

Lieutenant Leon Carroll of the Oakland police force was cleared on a charge of taking lumber from an Orinda residence under construction but was fined one day's pay for poor judgement by Oakland Police Chief Lester J. Divine last Friday.

The charge was made by Thomas Lehman of 57 La Cresta Road who saw a car driving away from the house on September 12.

LEHMAN TOOK the number of the car which was identified as belonging to the Oakland police department. He reported this to the Contra Costa Sheriff's office who in turn reported to the Oakland police.

However, Divine was not notified until September 17 of the report when he received an anonymous phone tip.

DIVINE, in a typewritten statement ,said he was "certain" Carrol was innocent of any wrong doing, although he "did not use good judgement" in "misuse" of a city car, for which he was fined.

Carroll, who had been with the force since 1921, told fellow officers he found the lumber in a ditch and thought it had been abandoned.

Divine has not made any mention of what action would be taken regarding two police captains who did not give him the original report from Contra Costa County.

Jones Family Home

Mr. and Mrs. Reese Jones of 119 Camino Don Miguel returned home last Friday after a two week trip to Seattle, Wash., and Victoria, Canada.

Easy – Just Move Clock Back Hour

It's that time again — or it will be at 2 a. m. Sunday.

Meaning, of course, the return to Standard Time. And unless you have a special reason for staying up until then, you don't have to wait until 2 a. m. Sunday to move the clock back to 1 a. m. You can move the clock hands back an hour Saturday night — and sleep en extra hour Sunday morning.

If all this sounds confusing, it shouldn't. It's merely an effort to explain Father Time's antics. The effect may be a trifle jarring, since we've been on Daylight Saving Time for five months, but that's all over this Sunday.

Visits to Antwerp, Belgium; Lisbon, Portugal, and Guantanamo Bay, Cuba, were part of the itinerary.

Citizens' Group Set To Plan for Rick's Hearing

Plans for the October 30 hearing before the State Board of Equalization in Sacramento on the final decision on Rick's Drive Inn liquor application will be discussed at a meeting of the citizens' committee this weekend.

This citizens' committee, headed by Attorney John A. Bohn and Mrs. Fred Knobel, has been active in the campaign against the application.

THE CAMPAIGN won a major victory last week when the state board, acting contrary to the recommendation of Ivores R. Dains, who conducted the recent Martinez hearing, denied issuance of the on-sale liquor license.

James H. Quinn, District 2 member, made the motion to deny the request. This was adopted unanimously by the board.

Final decision on the application will be made at the October 30 hearing.

PERSONS WHO MADE protests at the Martinez hearing will be asked to appear at the October 30 hearing, which is expected to start at 10:30 a. m.

Nearly 300 persons appeared at the Martinez hearing, which lasted a full day.

A. R. Blisner, Helen Groves and C. J. Garibotti have made the liquor license application.

Opposition is based on the prixinity of Acalanes High School to Rick's.

George Harrison Wins Scout Award

George Harrison ,13-year-old son of Mr. and Mrs. Robert Harrison of 7 Camino Lenada ,was recently presented with the God and Country Boy Scout Award.

He was given this award at St. Clement's Church in Berkeley by Rev. J. Henry Thomas. Bob Harrison Jr. of Troop 300 and Doug Krotz, John Hall, Arnie Groennings and Bob Johnson of Troop 200 formed a guard of honor during the ceremony.

A boy is given this honor, one of the hardest of all scout awards to obtain, for being an outstanding leader and active in both scouts and his church.

George's father is assistant leader of Explorer Post 300.

Children's Art Center Board Discusses Plans

Board members of the Orinda Children's Art Center met at the home of Mrs. Paul Pollaczek on Rustic Way September 18. Taking over duties as president for the coming year is Mrs. Richard Tharp, aided by Mrs. Seaver Ballard as vice-president; Mrs. Paul Pollaczek, recording secretary; Mrs. William Gilman, corresponding secretary, and Mrs. T. M. Harrer, treasurer.

Chairmen of the committees are Mesdames Spencer Archer, C. F. Borden, Jack Buchter, Dan S. Carter, George Clifford, F. R. Devin, N. S. Dodge, Jack Fraser, Charles Gibbs, Kerry Keresy, Wallace Marsh, Carl Meurk, Ben S. Olsen, J. P. Ratcliff, Welling J. Ray, Joseph L. Sheaff, E. J. Unruh, John Watson and David L. Wallace.

The fourth year of classes sponsored by the Center will begin on or about October 15 at the Orinda School under the direction of Mrs. George Clifford. An innovation at the Center this year will be instruction in crafts one day a month under the guidance of Mrs. Carl Meurk.

Bids Too High for Overhill Road LID Job – Decision Due Next Thursday Night

Two bids for work on Local Improvement District 27 along Overhill Road were opened by the Central Contra Costa Sanitary District Board of Directors Monday night — but both were considered excessive.

So the board decided to write the owners of the 32 parcels involved, explaining the situation and asking them to attend next Thursday night's board meeting. The property owners are asked to let the board know then whether they wish one of the bids to be accepted, or whether they wish the board to readvertise for bids.

ESTIMATE OF Sanitary District Engineer Gerry Horstkotte Jr. on what the job should cost was $10,030. But one bidder's total figure was $13,685.50, while the other's was $23,330.50.

Kevry Construction Company of San Leandro submitted the $13,685.50 bid, and James W. Hill of 2198 Mt. Diablo Boulevard, Walnut Creek, submitted the $23,330.50 bid.

Three items are specified in the project — No. 1, 2195 lineal feet of six-in-diameter vitrified clap pipe sewer; No. 2, four 48-inch inside-diameter manholes; No. 3, two rodding inlets, including cast iron frame and cover.

THE BIDS for furnishing and placing each item were:

Item 1 — Kevry, $5.70 per lineal foot; total, $12,511.50 Hill $9.90 per lineal foot; total, $21,730.50.

Item 2 — Kevry, $255 per manhole; total, $1020. Hill, $350 per manhole; total, $1400.

Item 3 — Kevry, $77 per rodding inlet; total, $154. Hill, $100 per rodding inlet; total, $200.

L. I. D. 27 will be along Overhill Road from Anne Avenue on the east to Moraga Estates on the west. It will extend north from Overhill for a depth of one lot, and south from Overhill for varied lot-depths.

Five lots of the Broadview Tract, east of Martha Road, are included.

Plan Lutheran Church in Orinda

Preparatory steps were under way this week for establishment of a Lutheran Church in Orinda.

Edward R. Anderson of 18 Monte Veda Drive reported that he had made a survey here for the United Lutheran Church last July and that the survey "looked very satisfactory," showing enough Lutheran families in Orinda to warrant plans for a church in the community.

At present, according to Anderson, ways and means of developing such a project are being studied, including selection of a suitable site. It is hoped that definite plans and program may materialize in the not too distant future.

Anderson is a theological student at the new Pacific Lutheran Seminary on Marin Avenue in Berkeley, which opened Monday. He is in his third and final year of study there. Last June he completed his first two years of theological study at the Lutheran Seminary at St. Paul, Minn.

County OK's Buy Of St. Stephen's Land for Road

On recommendation of County Road Commissioner Victor W. Sauer, the Board of Supervisors last week authorized a warrant for $2000, payable to St. Stephen's Episcopal Church, for right-of-way for road construction from Las Vegas to Honey Hill Roads.

The road to be constructed by the county will be at the site for the church's new building.

An appraisal by Boise and Soule that $2000 is a fair price was accepted by the supervisors last month.

Old Man Weather Has Week of Ups and Downs

If last week's weather is any indication, then even Old Man Weather, like everyone else, has his ups and downs.

For during the week from September 18 through Wednesday, the weather went up to 99 degrees on Wednesday, the hottest day of the week, and went down to 47 on the night of September 18.

Some folks in Orinda even reported feeling a few drops of rain every now and then, but nothing was recorded by Arthur Bowman, cooperative observer for the U. S. Weather Bureau.

Highway Group General Meeting Set for October 9

Swinging back into full-fledged action, the Diablo Highway Improvement Federation will hold a general membership meeting October 9, 8 p.m., at Orinda Community Church.

Professor Harmer E. Davis, director of the Institute of Transportation and Traffic Engineering at the University of California will talk on "Patterns and Problems of Highway Engineering and Transportation."

CO-HOSTING the public gathering will be the Civic Affairs Committee of the Orinda Association, according to Improvement Federation Chairman Elliot J. Hartman.

Arrangements for the meeting have been made by Charles Nelson of Orinda, vice-chairman of the federation.

PROFESSOR DAVIS recently returned from New York and Washington, D.C., where he spoke on the same subject he will discuss here.

The October 9 meeting comes after a summer which included no general membership meetings of the federation but which saw the organization's board very active. Highlights of the summer board work will be reported at the coming meeting.

Part of the session will be a regular business meeting.

"ALL INTERESTED organizations and individuals are invited to attend, and to join the federation for the balance of this year, which ends for the federation with the November meeting," Hartman said.

At the November membership meeting, which will probably be held November 25, officers will be elected. A nominating committee will be elected at the October 9 meeting.

Hartman reported that the Mt. Diablo Junior Chamber of Commerce has joined the federation and as one of its first projects is working with the federation to build up federation membership. Junior Chamber speakers will be available to give short talks to community organizations on the federation.

Nickerson Again Referees on Grid

With last Saturday's U.C.L.A.-Oregon football game at Los Angeles, Mel Nickerson of 6 La Sombra Court entered his fifth year as a referee of Pacific Coast Conference college football games.

Other games which Nickerson will referee include:

University of Kansas-Santa Clara at Lawrence, Kansas, tomorrow; Oregon State College - Michigan State at Portland, October 4; UCLA-Stanford at Los Angeles, October 18.

Stanford-U.S.C. at Palo Alto, November 8; Santa Clara-Utah at Sacramento, November 15.

SUN Subs Add $126.75 to Mothers Club Playground Fund–Total Now $261.75

A check for $126.75 — the net proceeds of the Orinda SUN'S subscription drive which ended last June — was presented to the Orinda Mothers Club Tuesday by Publisher Herman Silverman.

The sum, added to $135 presented last winter, brings to $261.75 the amount turned in from SUN subscription drives this year to the Mothers Club, for its fund for playground equipment at the local schools.

The $126.75 check was handed to Mrs. Robert Bigler, who was 1951-52 president of the club. "I'm surprised by this additional sum, and am very happy to accept it on behalf of the Mothers Club," she said.

THE CHECK was presented to the club during the organization's Welcome Tea at the Sleepy Hollow home of Mrs. Nels Hamberg.

"I am extremely happy that this amount can be added to the club's playground fund," Silverman remarked. "Also, I'm gratified at the cooperation among the Orinda School District, the Mothers Club and the Orinda SUN.

"IT IS THE POLICY of the paper to work with local organizations for community betterment."

Silverman pointed out that, in addition to subscription drive proceeds, the Mothers Club is paid for all news it turns in which is printed in the SUN.

Last year, the Mothers Club bought a still-film projector for the schools with money from the paper's subscription drive.

Stoffel Resigns Planning Post

Board May Get Moraga Del Rey School Drawing In Next Week

Jack Buchter, who has been named as architect for Moraga Del Rey School, is expected to show the Board of Trustees of the Orinda School District his preliminary drawing for the school next week.

It is expected that "Buchter's drawing will be for a block of either six or eight class rooms, Joseph L. Sheaff, superintendent of schools, said.

IF THE BOARD approves the drawing, it will be submitted to the State Allocation Board for final approval.

If the state approves, bids on the school will be let.

BUCHTER WAS PICKED from among 12 architects who had submitted applications to do the work on the school.

Moraga Del Rey School site is located on the south side of El Camino Moraga, opposite the head of Don Gabriel Way.

The site was recently purchased for $30,625 .

Concert Plans Now Under Way

The Orinda Little Symphony and the choir of the Orinda Community Church, conducted by Daniel Popovich, will present a concert Saturday, October 11, at 8:15 in Fellowship Hall.

Some of the great symphonic music will be played by the Little Symphony's ensemble of musicians from Orinda and the East Bay area.

ZELPHA SPENCER, pianist, will play a group of solos. She has won four scholarships because of her outstanding talent. The first with Josef Lehvinne, the second with Paolo Gallico, a third with Duhlig and a fourth, a fellowship, with Juilliard Graduate School in New York. Zelpha Spencer is now a resident of Orinda and has her studio here.

Mrs. R. L. Byron, also a resident of Orinda, who is well known for her beautiful soprano voice, will sing a group of songs.

Kenneth Wonn, who is well remembered for his beautiful rendition of tenor arias in "The Last Seven Words" at the Community Church last Easter time, will singe a group of songs, which, with those of Mrs. Byron, will cover familiar loved songs and also some new ones.

THIS CONCERT is sponsored by the Orinda Community Church choir and is for the benefit of their Music Projects Fund. Some of these projects the choir hopes to realize are additional choir robes, music, eventually a grand piano, and an organ fund.

Reservations for tickets at $1.00 each may be made by calling Orinda 8185 or Orinda 7021. As the seating capacity is limited, reservations should be made early.

Crash Holds Up Highway Traffic

Traffic on Mt. Diablo Boulevard heading towards Oakland Tuesday evening was re-routed from the Broadway Tunnel on to Fish Ranch Road.

A head-on crash near Lake Temescal caused the delay to motorists. No one from this area was involved in the accident.

Troop 207 Paper Drive Tomorrow

Tomorrow, Boy Scouts of Troop 207 will canvass all Orinda for papers and magazines. Proceeds of this paper drive will be added to the Guide Dog Fund the troop is building.

Orindans are asked to have their paper ready when the boys call.

Developers Set To Honor Barbara

Barbara Stark, 15-year-old Olympic swim star, will be honored Tuesday at the quarterly dinner meeting of the Contra Costa Development Association at Paul's Place in Martinez.

Barbara, daughter of Dr. and Mrs. R. A. Stark of 555 Manzanita Drive, Orinda, will be presented by H. A. Saunders of Saranap, an Association director, who with Mrs. Saunders, attended the Helsinki Olympic Games.

Moraga Meadows Party Tomorrow

A cocktail party for members of Moraga Meadows Association will be held tomorrow at the Willows Restaurant from 5:30 to 7:30 p. m.

Shipmates Meet at Harmon Home Tonight

The Shipmates will meet tonight at the home of the Albion Harmons of 4 Oak Lane.

Fred Morrow will talk on religion and education.

The new members to be initiated are Jean and Paul Byerly, Rose and Ross Van Dyke ,Helen and Bell Goldsworthy, Marge and Hugh Reiger and Jean and Douglas Watkins.

Cummings Will Appoint; Robinson Is Recommended

John L. Stoffel announced this week that he has submitted his resignation from the County Planning Commission because of the pressure of his own business.

"I submitted my resignation a few weeks ago to Chairman H. L. Cummings of the Board of Supervisors, but it hasn't been accepted yet because the supervisors haven't found a successor," said Stoffel, representative of the Orinda area on the Planning Commission for the past three and a half years.

"My reason for resigning is the pressure of my business, and, also, too many other activities."

Stoffel, head of the American Trust Company in Orinda, lives at 12 Richard Court.

He was originally named to the Planning Commission to fill the unexpired term of William Penn Mott Jr. About a year ago he was reappointed by the supervisors for a full three-year term.

At Monday night's meeting of the Orinda Association Board of Directors at Orinda School, President Stanley Allen read a letter from Cummings, in which Cummings informed the directors he had two men in mind as possibilities for Stoffel's position, but he did not name the men. He asked the association board if it had any suggestions.

A letter to the directors from Boone Robinson of 134 Lombardy Lane was read. Robinson stated that he would like to have the post. He mentioned that he served on the Orinda Planning Committee under Joseph Creighton, that he is a member of the Sleepy Hollow Improvement Association and that he is a Certified Public Accountant.

The association directors decided to recommend Robinson for the planning position. They also acknowledged the good work of Stoffel on the Planning Commission.

Babcock To Talk To Garden Club

At their first regular meeting of the new season, members of the Orinda Garden Club will hear Robert Babcock talk on "Planning for New and Old Gardens" next Thursday morning. The meeting will be held at Orinda Community Church at 10:30.

Babcock, an Orinda resident, is a partner of Ned Rucker, with whom he arranges the annual California Spring Garden Show in Oakland.

Mrs. C. Walter Cole is club chairman, Mrs. John Barchfield, vice-chairman; Mrs. Pearl Rowley, treasurer; Mrs. Edgar Stewart, secretary; Mrs. Alice Doane, corresponding secretary; Mrs. Ambrose MacDonald, historian and publicity chairman.

Auto Crash Near Charles Hill Road

A rear-end traffic accident occurred on Mt. Diablo Boulevard near Charles Hill Road at 6:10 p.m. last Sunday, according to the California Highway Patrol.

Involved were William Dixon, 29, of Oakland and Mrs. Francis Ceynowa, 42, of Martinez.

No one was injured, although damage to the rear end of the 1950 Chevrolet driven by Mrs. Ceynowa was reported.

Morrish Talks at Rotary Meeting

Ken Morrish of 35 Irvine Drive, spoke to members of the Orinda Rotary Club Wednesday at the Willows.

Morrish, a member of the Oakland Rotary Club, spoke on the subject "Hunting and Fishing or Big Business?" He reported that millions of dollars are spent each year on this form of amusement.

Maynard Buehler acted as program chairman.

Next week, Col. C. C. Herrick of the state Civil Defense program will lead a discussion by four high school students on the civil defense problem.

Don Westerfield Home from Army

Don Westerfield, son of Mr. and Mrs. Victor Westerfield of 8 Loma Vista Drive, has been released from the U. S. Army and will start to work for Standard of California.

Don was a corporal in the Medical Corps and served in Korea.

Dons Meet Gauchos Tonight at El Cerrito

The Acalanes grid eleven travels to El Cerrito tonight, where they meet the El Cerrito Gauchos in their second game of the yet-young 1952 season. Kickoff is at 8 o'clock.

Smarting from their 28-0 loss to Piedmont High in last Friday's opener, the Dons will be out to give their all against a veteran Gaucho team rated by some to be the best in the school's 10-year existence and as favorites to cop the A.C.A.L. title.

THE DONS HAVE been shifted in positions, and drills all week long have been devoted to smoothing out many wrinkles found in the Piedmont tussle.

Several new plays have been added to the Dons' attack. The Dons went into the Piedmont game with but four running plays.

STRESS HAS BEEN placed on all phases of defense, particularly regarding end sweeps, which proved to be Piedmont's best weapon.

El Cerrito boasts an all-veteran squad with speed and power plus a good passing attack.

The Dons' quarterbacks, Bart Ferro and Sam Indelicato, have been receiving special tutoring this week in the strategy to be used against El Cerrito, with special emphasis on the aerial game.

THE LINE STARTERS appear to be Mike White and Jim Champion at ends, Ray Otto and Andy Monsen in the tackle spots, Gary Howerton at center and Bill Johnson and Ray Fortado at guards.

In the backfield it's Bart Ferro at quarter, Ray Williamson at full and Roger Owen and Jim Burns as halfbacks.

NEXT FRIDAY night, October 3, the Dons will be aiming for the Alhambra High Bulldogs, whom they meet in the league opener at the Martinez gridiron.

All Varsity games start at 8 p.m.

Box Supper on Tuesday Set by G. O. P. Women

Orinda, Lafayette and Walnut Creek Republican Women's Clubs are cooperating in sponsoring a box supper social gathering and public meeting at Acalanes High School next Tuesday night.

The box supper will be held at 6:30, and the speaking program will start at 8. The main speaker will be Mrs. Mildred Younger, vice-chairman of the Southern Division of the Republican State Central Committee.

Gardner Johnson, San Francisco attorney and former member of the State Legislature, will discuss the local political scene. Tickets, at $1.50 each, may be purchased from the presidents of the three G.O.P. women's clubs or from the precinct chairmen.

Mrs. Thomas Barrows of Orinda, who is in charge of arrangements, will be chairman of the gathering. Decorations are being handled by Mrs. Harmon Howard, head of the Walnut Creek women's group. Mrs. Eugene Scofield is president of the Lafayette club and Mrs. Melvin Jacobus is president of the Orinda group.

John F. Baldwin Jr., candidate for Congress, and Donald Doyle, candidate for the State Assembly, are also slated to be present.

All voters of the area are invited to attend, and a special welcome is extended to high school seniors—the voters of tomorrow.

Acalanes Parents Hold First Meet Of School Year

Acalanes Parents Club members gathered in the Don gym for their first meeting of the 1952-53 school year.

Four hundred parents were welcomed and told of the club work by President Fred Knobel.

Executive board members, school officials, the faculty and student body officers were introduced.

The meeting adjourned with a spirited Acalanes football yell by student cheer leaders.

A get-acquainted hour and refreshments followed the business session. The club will meet the third Monday of each school month.

Mt. Diablo Garden Club Meeting Set

Arthur Goff, Mt. Diablo Men's Garden Club vice-president, will speak before the group Monday at Planters Dock. The meeting will start at 6:30 p.m.

His topic will be "New Synthetic Soil Conditioners." Goff, who is also farm adviser of the Agricultural Extension Service of the University of California, has been experimenting in working with these soil conditioners.

Plants, donated by members, will be given as prizes.

Therapy Center Work Described As Fund Drive Nears Half-Mark

As the annual month-long fund drive for Mt. Diablo Therapy Center nears its halfway mark, some important facts about the Center are stressed by the staff and the board.

Treating conditions such as poliomyelitis, cerebral palsy and multiple sclerosis is costly and time consuming. Treatment must often go on for years before the process of rehabilitation is complete. Consequently few people can afford to meet the cost of a long course of treatment and must seek assistance. The Therapy Center provides this needed aid.

LAST YEAR a mother stricken with polio came to the Center for therapy after three months in the hospital. In her weakened condition she was barely able to walk across the room. Every day for months she received the expert attention of therapists in her home and at the Center, and eventually returned to normality.

Cost for this treatment was high, but this woman now is taking care of her home and her children as she did before polio struck.

Without community support for the Center, this woman may not have been able to get the treatment needed to return her to a whole way of life. She may have remained a cripple.

THERE HAVE BEEN many hundreds of people that have been treated at the Center this past year who are no longer crippled. With your contribution sent to the Therapy Center now, there will be hundreds more helped in the year to come.

The Mt. Diablo Therapy Center is one of the few public-supported agencies providing a direct service. It is the only local, non-profit organization giving direct service in the Mt. Diablo area.

Its support comes only from people and organizations at home. So make out your check today to help your neighbor who comes to the Center for service.

GOPers Hear Page Belcher at Campaign Dinner

"The Democrats speak of containment of communism but the only place communism is successfully contained is in the U. S. State Department."

Those were the words of Republican Congressman Page Belcher of Oklahoma as he addressed more than 500 Contra Costa Republicans during a fund-raising dinner at Diablo Country Club Tuesday night.

Kendric Morrish served as chairman and introduced Congressional Candidate John F. Baldwin and Assembly Candidates Donald D. Doyle and Eugene Marshall.

A floor resolution backing Senator Richard Nixon was unanimously adopted by the audience. Morrish said he had been asked by 12 Democrats present to send a telegram of support to Nixon, signed with their names .

William M. Fleager, chairman of the United Republican Finance Committee, arranged the dinner.

Joint Boy Scout-Girl Scout Drive for $39,000 Opens Today Throughout Area

Plans are in complete readiness and hundreds of volunteer workers are all set for today's opening of the fifth annual Joint Boy Scout-Girl Scout Fund Drive for the Greater Diablo Area. Goal of the drive is $39,000, to be shared equally by the Boy Scouts and the Girl Scouts.

All week Boy Scouts have been delivering campaign literature to every home in Orinda, Lafayette, Walnut Creek, Alamo, Danville, Diablo and Ygnacio Valley, Pleasant Hill, Gregory Gardens, Sherman Acres and Fair Oaks.

THESE BROCHURES set forth the reasons why this drive must fill its quota in order to maintain scout activities for the coming year, and show the many uses to which drive proceeds will be put.

As has been reported, Diablo Area Scouts will receive no financial support from the current East Bay United Crusade and are not included in the coming Concord Area Community Chest Campaign.

This week is expected to wind up both the "Advance Gift" and the "Business" solicitation, with current reports indicating that response to date has been excellent.

EACH OF THE district chairmen (in charge of house-to-house solicitation) arranged area kickoff meetings to give last-minute instructions to the hundreds of volunteer workers. Used for the first time this year will be a complete master file system containing the names of all residents in the area — thus assuring that every home will be given a chance to contribute to Scouting.

This year's drive quota of $39,000 is the combined total budget as arrived at by the Finance Committees of the Boy and Girl Scouts, and approved by the Joint Coordinating Committee.

GEORGE H. MACEY, drive chairman, said: "Boy and Girl Scouts are entirely supported by voluntary public donations. Not one cent of your tax dollar goes to Scouting.

"In this Greater Diablo Area, where no Community Chest or United Crusade support is received, your and your neighbors' donations are the sole support of this worthy cause. Ten dollars given to the Scout Drive here means $10 for the Scouts of this area, divided equally between the Boy and Girl Scouts.

"Give at home — as much as you can — and the success of this drive will be assured."

Commuters Hold Garden Party

Directors of the Contra Costa County Commuters Association met Sunday for an informal garden party at the home of Arthur Bowman on Orchard Road in Orinda. Bowman is president of the group.

The afternoon was spent playing bingo, followed by a buffet lunch. The party concluded with a session of volleyball.

Bingo prizes consisted of generous helpings of vegetables from the Bowman family garden.

Those present included, from Walnut Creek, Norma Warner, Mr. and Mrs. Virgil E. Sloan, Mr. and Mrs. Magnus Hansen and Mr. and Mrs. Del Armstrong. From Lafayette, Mr. and Mrs. John E. McKirahan. From Orinda, Mr. and Mrs. Fred Folliard and Mr. and Mrs. George Tonkin.

Don Fumbles Aid Piedmont Eleven Win Opening Grid Contest 28-0

The Acalanes Dons made their 1952 grid debut against the Piedmont Highlanders last Friday night under the lights of Acalanes Memorial Field, and when the last whistle had been blown the Dons were on the short end of a 28-0 count.

The speed and precision of the Piedmont eleven proved to be too much for the green Dons, who helped Piedmont's cause no end with fumbles, many of which came at critical times when the Acalanes club appeared to be on its way to pay dirt, better known as the end zone.

FULLBACK Johnny Russell of Piedmont lived up to advance notices of a top-notch player and started off in grand style when, on the initial play of the game, he tucked the pigskin under his arm on an off tackle slant to the left, cut outside and simply outran the defense to the goal line 60 yards away.

Quarterback Tom Truntner kicked the conversion for the extra point, and it was 7-0 with 30 seconds gone on the clock.

Second tally for Piedmont came in the second quarter when the Dons dropped the ball on their 20, and it ended up with Halfback Pete Brobest taking a pitch out to score from five yards out, and Trutner kicked the extra point.

PIEDMONT'S OTHER scores came in the third period, when Russell scampered 36 yards and Monte Upshaw took a pass good for 48 yards.

On both occasions Trutner kicked the conversion try to make it four for four.

THE DONS penetrated deep into Piedmont's territory on numerous occasions, three times being inside the 10-yard marker, only to bobble the ball each time.

The center of the Don line gave evidence of being tough defensively, with George Fortado and Andy Monsen standouts along with Gary Howerton and Ray Williamson as linebackers.

WILLIAMSON PROVED to be a booming fullback and displayed good kicking potential.

Roger Owen gave evidence of becoming a top runner, as did Jim Burns, both of whom operate from the halfback spots.

THE DONS, as predicted, are a green eleven that should improve with each outing.

They should be at their best when league play gets under way early next month.

Game of the Week On TV Tomorrow

Another contest in the General Motors sponsored "TV Football Game of the Week" series will take in the Princeton-Columbia game tomorrow at Baker Field, New York.

Sideline Slants

That Opener Loss Score Doesn't Tell Full Story – Excitement Was Plentiful

By ERWIN MATTSON

THE ACALANES DONS opened the 1952 football season last Friday night against the Piedmont eleven.

The Dons lost 28-0, but it didn't indicate the type of game played which brought the fans to their feet time and time again.

The Dons lacked the finesse and precision of Piedmont, which may be one of the East Bay's best.

The game could have been much closer if the Dons had not been taken with a severe case of "fumblitis" which found them losing the ball seven times, twice inside the 10-yard line.

FUMBLING IN SOME CASES is a matter of improper tecthnique in holding the ball plus a mental set.

Players are taught to carry the ball with one point tucked between the elbow and body while the palm of the hand securely grasps the other end.

The player is instructed to place the free hand over the top of the ball and pull it securely to his body whenever tackled.

Most Don fumbles were due to the fact that the free hand was not placed over the ball at the time of impact, resulting in the ball popping loose.

Often when a player fumbles he gets thinking about it so much that he gets a mental set and as a result makes the very mistake he wants to avoid.

Clare Breuner to be Bride

Clare Louise Breuner, daughter of Mr. and Mrs. Richard Weston Breuner of 515 Miner Road, will become the bride of Fred Velie Cummings in a wedding ceremony at the Breuner home at 4:30 p.m. tomorrow.

Dr. Clarence Reidenbach will perform the ceremony.

Fred is the son of Mr. and Mrs. Charles Cummings of Porterville, California.

ACTING AS matron of honor will be Clare's sister, Mrs. J. Brandon Bassett.

Others in the bridal entourage will be Mrs. Harold Menzies (Gwen Bowron); Deidre Pearson; Clare's future sister-in-law, Mrs. Ward Cummings of Porterville and Sally Marsh, Kappa Kappa Gamma at the University of California.

Best man will be Dwayne Armstrong of Terra Bell, while ushers will include Clare's brother, Richard, of Stanford University; James Loebl of Chicago, Dr. J. Brandon Bassett of Oakland and Richard Kilner of Kenilworth, Ill.

SEVERAL PARTIES and receptions have been held. Last Friday night Mr. and Mrs. Richard Kilner entertained at a cocktail party. Last Sunday Mrs. Menzies was hostess at a luncheon at the home of her mother, Mrs. A. W. Bowron of 525 Miner Road. This party was a miscellaneous engagement shower.

On Tuesday, Sally Marsh gave the spinster dinner at the Gerald Marsh home in Berkeley. Yesterday, following the wedding rehearsal, Dr. and Mrs. Bassett entertained at a dancing party at the Hotel Claremont.

Mrs. Thomas Curtis entertained in honor of the bride-to-be early last week, and on September 13 Sandy Hockenbeamer and Deidre Pearsons gave a luncheon and linen shower at the Orinda Country Club for Clare.

Clare graduated from Anna Head's School and Stanford University.

Fred is also a Stanford graduate. He received his law degree from the Universiyt where he was a member of Alpha Delta Phi fraternity. Fred will shortly enter the Air Force as a member of the Judge Advocate Corps.

Florita French, Richard Frost Engagement Told

Florita French, daughter of Mr. and Mrs. Patrick French of 40 Miner Road, announced her engagement to Richard Charles Frost during a cocktail party held in the garden of the French home recently.

Richard is the son of Mr. and Mrs. Cyril Frost of Alameda.

THE PARTY, which had been announced as a "welcome home" for Florita, who had been traveling in Europe, was attended by some 200 guests.

"Passports" to the land of romance were handed to those arriving at the party. The passports were made out in the names of Flo and Dick.

Cissie Engs, Jane Lowry, Sue Edwards, Jeanne Ballard, Wendy Whitaker, Kate Nye, Carolyn Witter, Nancy Rolph and Colleen Thompson handed out the passports.

A spring wedding has been planned by the couple.

Florita is a graduate of Acalanes High School and has studied at Holy Names College. She now attends the University of California.

Richard is a graduate of the University of California and is now in business in Oakland.

Women's Guild Plans Card Party

Plans for a dessert bridge and canasta party sponsored by Section 4 of the Women's Guild were discussed by the group September 16 at the home of Mrs. E. Wayne of 69 La Campana.

The party will be held at the home of Mrs. Miles Hudson of 804 Acalanes Road, Lafayette. Door and table prizes will highlight the affair.

Tickets have been set at 75 cents and may be reserved by contacting Mrs. Wayne at Orinda 8576. Plans are being made for entertaining 120 women.

Fred Morrow gave a talk on religion and education during the meeting which was attended by 37 women.

Mrs. Ada Frances Dawson served as co-hostess.

Bridge, Canasta Groups To Start

The Orinda Mothers Club bridge and canasta groups will resume Thursday at 9:30 a.m. at the home of Mrs. Mervyn Porter, 85 Orchard Road, according to Mrs. Howard D. Lane, bridge chairman.

On Friday, October 3, the group will meet at 9:30 a.m. at the home of Mrs. Dan Peacock, 181 Lombardy Lane.

"Anyone interested in playing with either group or on Thursday or Friday afternoons is invited to contact me at Orinda 2003," Mrs. Lane said.

FOLLOWING their honeymoon trip, the newlyweds will live in Oakland.

Jean graduated from Piedmont High School and the University of California. She is a member of Delta Delta Delta Sorority.

John, also a California graduate, is a member of Beta Theta hPi Fraternity.

Picnic Tomorrow At Church Site

On the site of the future outdoor shrine, under giant oaks, the first big all-membership picnic will be held by St. Stephen's Episcopal Church tomorrow from 3 p.m. until sundown, on the new church property on Honeyhill off Charles Hill Road.

Planned as a welcoming party for Rev. Charles M. Hill, new vicar of St. Stephen's, Mrs. Hill and their children, Jimmy, Judy and Don, the occasion will offer the opportunity for members to get acquainted with the Hills in the informal setting of the seven acres which will hold the first Episcopal church in this area.

In answer to requests, stakes will mark the portion of ground on which the church will be built, and, for those who are interested, the plans and perspectives prepared by church architects Arnold and Francis Constable will be on display.

Games will keep the youngsters entertained—wtih prizes for winners. Members are asked to bring their own lunches. Coffee, soft drinks and ice cream will be available on the premises.

Those attending are requested to drive into the property through the Honey Hill Road entrance, where parking space will be available. The picnic itself will be held on the promontory formed by the wandering stream, where tables and benches will be set up.

First Fall Meeting Held by Mills Club

The first meeting of the fall for the Orinda Mills Club was held at the home of Mrs. Harold Booth on Crestview Drive September 15.

Those present were enlightened by a talk on "Inflation and How to Live With It" which was given by Mrs. Hugh Brown of San Francisco. She gave helpful advice on investments and financial trends, and was assisted by Miss Ann Able, also of San Francisco.

Members present included, in addition to the hostess, Jean Henderson, Ann Copenhagen, Lid Miles, Helen Gulick, Jean Lathrap, Ruth Gilwee, Molly Cunningham and Peg Bigler. Also attending was Mrs. Gilwee's houseguest, Mrs. A. M. Graves, a visitor from Indianapolis.

Mothers Set Membership Drive Sunday

The annual Orinda Mothers Club membership drive will be launched Sunday and will close October 9, Mrs. Marvin T. Bonds, club president, announced today.

Dues are $1.00 per family for the school year and each dollar contributed will be credited to the class in which the donating family has a child enrolled, Mrs. Bonds said.

"Your child will bring home a letter and an envelope the first day of the drive," Mrs. Bonds explained. "Please return the envelope enclosing your dollar as soon as possible. If the letter should fail to reach home, we hope you will send your dollar anyway with your children's names and teachers. Classes will compete with 100 per cent membership as the goal and prizes will be awarded," the club president added.

Mrs. Bonds noted that during the membership drive last year Glorietta School attained 100 per cent membership in the Mothers Club, an organization devoted to furthering the best interests of all public school children in the Orinda area.

Chairman of the drive for the Orinda School is Mrs. Ron Anderson, assisted by Mrs. Charles Wilson. Chairman for the Glorietta School is Mrs. Carl Pedersen, assisted by Mrs. Gregory Engelhard.

Mrs. Copenhagen Aids At Sister's Wedding

Mrs. Richard T. Copennagen of 9 Daryl Drive acted as maid of honor at the wedding of her sister, Margaret Stewart Sherwood, who became the bride of Wayne Michael Bridgeman September 13.

Mrs. Copenhagen's bridal gown was worn by her sister as she and Wayne exchanged marriage vows in the First Congregational Church of Oakland. For the wedding, Mrs. Copenhagen wore a champagne-colored lace gown and had matching velvet ribbons in her hair.

LEGAL NOTICE

OFFICIAL NOTICE OF SALE OF SCHOOL DISTRICT BONDS

NOTICE IS HEREBY GIVEN that sealed proposals will be received by the Board of Supervisors of the County of Contra Costa, State of California, at the office of the County Clerk and ex-officio clerk of said Board of Supervisors in the Hall of Records, City of Martinez in said County, California, on Tuesday the 14th day of October, 1952, at the hour of 11 o'clock A.M. for the purchase of bonds of Orinda Union School District, of Contra Costa County, State of California, more particularly described below:

ISSUE: $110,000, consisting of 110 bonds of the denomination of $1,000 each, numbered as set forth below, all dated November 15, 1950. These bonds are part of an issue of $400,000 principal amount, $214,000 principal amount of which have previously been sold, and $212,000 principal amount of which are now outstanding. It is anticipated that none of the remaining bonds of this issue will be sold before January 1, 1953.

INTEREST RATE: Maximum five (5) per cent per annum, payable semi-annually on May 15 and November 15 in each year. Bidders must specify the rate of interest which the bonds hereby offered for sale shall bear. Bidders will be permitted to bid different rates of interest and to split rates irrespective of the maturities of said bonds. The interest rate stated in the bid must be in a multiple of one-quarter of one per cent per annum, payable as aforesaid.

MATURITIES: Said bonds mature (without option of prior redemption) as set forth below:

Bond Nos. (Inclusive)	Principal Amount	Maturity Dates November 15
51 - 60	$10,000.00	1953
71 - 80	$10,000.00	1954
91 - 100	$10,000.00	1955
111 - 120	$10,000.00	1956
131 - 140	$10,000.00	1957
151 - 160	$10,000.00	1958
171 - 180	$10,000.00	1959
191 - 200	$10,000.00	1960
211 - 220	$10,000.00	1961
231 - 240	$10,000.00	1962
251 - 260	$10,000.00	1963

PAYMENT: Both principal and interest payable in lawful money of the United States, at the office of the County Treasurer of said County.

REGISTRATION: Coupon bonds will be issued by said Board of Supervisors on behalf of said School District. Such bonds are registerable only as to both principal and interest.

PURPOSE OF ISSUE: Said bonds were authorized by more than two-thirds of the voters voting at an election held in said District on July 25, 1950 and will be issued and sold for the purpose of raising money for authorized school purposes.

SECURITY: The bonds are general obligations of said School District, and said Board of Supervisors has power and is obligated to levy ad valorem taxes for the payment of said bonds and the interest thereon upon all property within said School District, subject to taxation by said School District (except certain intangible personal property, which is taxable at limited rates), without limitation of rate or amount.

TAX EXEMPT STATUS: In the event that prior to the delivery of the bonds the income received by private holders from bonds of the same type and character shall be declared to be taxable under any Federal Income Tax laws, either by the terms of such laws or by ruling of a Federal Income Tax authority or official which is followed by the Bureau of Internal Revenue or by the decision of any Federal Court, the successful bidder may at his option prior to the tender of said bonds by the Board of Supervisors, be relieved of his obligation under the contract to purchase the bonds and in such case the deposit accompanying his bid will be returned.

LEGAL OPINION: The legal opinion of the following firm approving the validity of said bonds, will be furnished to the successful bidder without charge: Orrick, Dahlquist, Neff & Herrington, Attorneys at Law, San Francisco, California.

TERMS OF SALE

HIGHEST BIDDER: The bonds will be awarded to the highest responsible bidder or bidders considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the District would be required to pay from November 15, 1952 to the respective maturity dates thereof at the coupon rate or rates specified in the bid and the award will be made on the basis of the lowest net interest cost to the district. The lowest net interest cost shall be computed on a 360-day year basis. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. The cost of printing the bonds will be borne by the district.

RIGHT OF REJECTION: Said Board of Supervisors reserves the right in its discretion to reject any and all bids and to waive any irregularity or informality in any bid.

PROMPT AWARD: The Board of Supervisors will take action awarding the bonds or rejecting all bids not later than 24 hours after the expiration of the time herein prescribed for receipt of proposals; provided that the award may be made after the expiration of the specified time if the bidder shall not have given the Board of Supervisors notice in writing of the withdrawal of such proposal.

PROMPT DELIVERY: Delivery of said bonds will be made to the successful bidder at the office of the County Treasurer of said County as soon as the bonds can be prepared which it is estimated will be within 45 days from the day of sale.

RIGHT OF CANCELLATION: The successful bidder shall have the right, at his option, to cancel the contract of purchase if the bonds are not tendered for delivery within 60 days from the date of sale thereof, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid.

FORM OF BID: All bids must be for not less than all of the bonds hereby offered for sale, and for not less than the par value thereof and accrued interest to date of delivery. Such bids, together with bidder's check, must be enclosed in a sealed envelope addressed to the Board of Supervisors of said County, and endorsed "Proposal for School Bonds of Orinda Union School District, of Contra Costa County."

BID CHECK: With each bid must be submitted a certified check or cashier's check for $5500.00, drawn on a bank or trust company transacting business in the State of California, payable to the order of the County Treasurer, to secure said School District from any loss resulting from the failure of the bidder to comply with the terms of his bid. In addition bidders are requested (but not required) to supply an estimate of the total net interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the Disctrict. Checks of the unsuccessful bidders will be returned by the County Clerk by mail, upon the award of the bonds. No interest will be paid upon deposit made by the successful bidder.

There is no controversy or litigation pending or threatening concerning the validity of the above issue, the corporate existence of said District, or the title of the officers to their respective offices and the Board of Supervisors will deliver to the successful bidder a no-litigation certificate certifying to the foregoing as of and at the time of the delivery of the bonds.

Dated: September 16, 1952.

About our happy Country Folks

By MR. and MRS. RONALD SCHACT
Guest Columnists

GUYS AND DOLLS — MOONLIGHT AND MUSIC — good food and a beautiful setting. A combinatioan that meant a whopping successful party for the Orinda Branch of the Children's Hospital September 13. Some 200 diners and dancers are indebted to the Frank Fees, who wtre generosity plus in turning over their lovely "Holltop" home for the occasion. Two bars greeted the thirsty arrivals, with member girls expertly handling trays of canapes and refreshments for those who were out of reach. Large qualtities of home-cooked food were served in the barbecue patio, where tables were in a delightful wooded setting.

From outside Orinda a number of happy guests from both sides of the bay — and the Telfers with Phil's charming sister, Mrs. M. K. Woodbury of Columbus, who thinks our informal California gatherings should not happen just in the West.

NOTES FROM PARADISE — Honolulu reports the Jim Sharpes at the Halekulani — ostensibly a part of the San Francisco Stock Exchange good-will jaunt, but Jim reports pre-breakfast swims with daughter Cherie, 18 holes on the Oahu Country Club course (where Ellie's iron shots are the envy of her spouse) and afternoons on the Catamaran, the Yacht Club's twin hulled sloop.

Now off goes Walter, of Beysen paint fame — to visit the company's Honolulu Branch — business, to be sure, but like all sensible people, Walter follows his work with a nicely-timed rest at Hana Ranch, that lovely quiet spot on the Island of Maui.

Go East, young man? To Honolulu yes, but why to New York in September? We have news of Dwight Chapman in Manhattan — the Cranstons in Boston and other New England parts — Perc Brown in New York for a month at the Gotham — and even as we put this together we see airplane tickets and explain that the laundry will have shirts back in time. Maybe we wives need a change.

What a fine paint job on the home of the MacGregor Clan on Las Vegas — no doubt as a homecoming for son Clark after a very long seige with the Army in Okinawa. Years from now it may be just another forgotten memory but as of this week it is still much too new. What with typhoons all over the place and the average yearly rainfall between 110 and 115 inches, we have a most happy citizen returning to our midst.

Clark recounts one incident that stopped us in our tracks — May, June, July and August are not months of summer pleasure in Okinawa, but a time of dread and fear. It's the typhoon season. The G. I.'s in the weather department, reportedly because of unpredictable violence, tack on a girl's name to each typhoon. One little blow Clark tells about lasted six and a half days — their Quonset huts collapsed and expanded like accordions and made like sounds but louder. That nightmare was called 'RUTH."

For those whose sons are Army-bound and may worry about the durability of the Quonsets, they rave a concrete foundation of four feet in the ground, plus three steel cables over the roofs of the huts firmly anchored in the concrete. Clark is glad to be home even with our less sturdy construction.

THOSE ORINDA SOMERS — we mean the Arthur Somers — 36 holes a day they played. From Pebble Beach comes word that Alta and Art — lonely with daughtetr Mary Ann at Tahoe and son Bob in Los Angeles visiting grandfather — hied themselves off to the Monterey Peninsula. Art made a quiet exit to Los Angeles on business promptly on return. A vacation has its limits.

So you don't think they serve tea in the afternoon on Alcatraz? Ask Maxine Demeter, who tells of an interesting visit with old friends, Warden and Mrs. Swope, at their home on our bay's most famous island. The occasion was a gathering of some 24 wives of federal judges, in San Francisco for the convention of the Bar Association.

The trip was made in the Warden's private boat, and the group was met by the warden himself. Proceeding from the dock to the huge old residence left everyone feeling fine, a little strange and perhaps uneasy — but this was quickly dispelled when greeted by Mrs. Swope, who presented each guest with a lovely orchid. Maxine poured and otherwise assisted Mrs. Swope.

ABOUT HOUSES — Watch for the next issue of House and Garden. Interiors of the beautiful William Foster home on West Way in Orinda will be shown featuring the wood and stone decor of the living areas.

THE ROBERT K. SMITHS have sold their lovely Las Aromas home to Dr. and Mrrs. James C. MacDonald of Piedmont — while the Smiths move into Happy Valley — the Edward Merrills are now enjoying their heavenly view from their new home on La Campana.

An earlier guest reportetr questioned our "Bon Docteur" Steve Jensen — seems a medical man with a load of oak in a one-ton pickup isn't quite the thing you expect to encountert on Routet 99 going North. It now unfolds that a cousin holds to the opinion that California Oak is the only real basis for barbecue — said cousin also skippering a top-ranking Puget Sound yawl. We hear Steve sold the truck — and now also the family cow.

Hill and Dale again brings forth the starched shirt, the long dress and all the fun that goes with a party when the group gathers at Orinda Country Club tonight for the first dinner-dance of the season, with numerous pre-dinner groups planned.

A QUIET RETREAT IN THE MOUNTAINS was the goal of the Phipps Rasmussens a year ago when they purchased a cabin at Silver Lake complete with a rowboat and a sailboat and reports from the natives of excellent fishing. Off went mother, Shirley, and children, Sherill and Mark, in June of this year for three months.

They swam, boated and fished to their hearts' content — a limit of rainbow trout could be, and was, pulled out of the lake any old day in July for a quick supper. Mother R. reports that it was wonderfully pleasant to rusticate — no summer wardrobes to be planned, purchased, washed or ironed — bathing suits and blue jeans being the order of the day.

A few weeks ago she was rudely pushed into a great deal of activity. Home came the family, and now they are engaged in an orgy of shopping for all those clothes they were not needing, and in their spare time planning trips and engaging sitters for the children.

This is what happened in the life of the Rasmussens. Phipps, advertising executive of McCann Erickson Company in San Francisco, conceived the idea of taking a flier in television for the California Packing Corpoation (Del Monte Products). Under his guidance, Cal Pack will jointly sponsor "All Star Review" on Saturdays at 5.

Part of the "deal" is that Phipps be present at every rehearsal and thus he will be beating a path between Orinda, Hollywood and New York for some time. Shirley will go along occasionally — lucky Shirley. Phipps says one of his problems is contending with the temperamental Hollywood stars and seeing that the tendency toward increasing plunging necklines is kept in bounds.

Jackson Oakland store is putting on an interesting show Tuesday and Wednesday evenings of next week. Rooms will be set up and decorated in different styles with table displays by Children's Hospital Branch members and models presented by I. Magnin's dressed suitably for the decor of the different rooms. Tickets are one dollar each and may be obtained from Mrs. Carl Dailey, Orinda 2729.

WEDDING NOTES: Young Mrs. Phil Chapman was presented by father-in-law Dwight Chapman with a lovely portrait of herself painted by Lyle York, as a wedding present. She was very happy with it — Phil even more so, and everyone who saw it raved.

Claire Breuner's wedding to Fred Velie Cummings takes place next week in the gardens of her family, the Richard Breuners.

Nancy Hockenbeamer and Bob Shurtleff will be married a week later at St. Clement's Church, with the reception at the Orinda Country Club. Both girls and both mothers are busy shopping and of course there are parties galore. Claire and Fred can do no house hunting at present as they are awaiting final orders from the Air Force. A lawyer, Fred will be assigned to the Judge Advocate's office.

WELCOME HOME TO THE SEAVER BALLARDS, who have been living in Amsterdam for the past year. Elizabeth is enthused about Holland and the Dutch. She says the country is completely rebuilt after the devastation of the war; Dutch cleanliness is not overrated and plenty of food on every table. Every inch of soil is cultivated and in the winter months, when a shortage of food might be expected, fresh fruits and vegetables are supplied from the miles and miles of greenhouses that can be seen everywhere.

The Ballards had no trouble with the language because the Dutch all speak excellent English! It is a required subject in their schools from the seventh grade on.

The schools are almost too good, if that is possible. Tommy had his multiplication tables in the first grade. Linnie had a good drilling in French in the fourth, and had they stayed on they could have looked forward to geometry in the seventh. They went to school each day from 8:45 to 4, and on Saturday mornings.

Hi there! Linnie and Tommy, glad to be back?

INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS' OPINION

To the Board of Directors, East Bay Municipal Utility District:

We have examined the respective balance sheets of the East Bay Municipal Utility District's Water System and Special District No. 1 as of June 30 1952 and the related statements of revenue, expenses and contributions for the year then ended Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheets and statements of revenue, expenses and contributions present fairly the respective financial positions of the East Bay Municipal Utility District's Water System and Special District No 1 at June 30, 1952 and the results of operations for the year then ended in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

ERNST & ERNST, Certified Public Accountants.

Confirmation Class Scheduled At St. Stephen's

Confirmation classes will start under the direction of Rev. Charles M. Hill of St. Stephen's Episcopal Church Monday, October 6, promptly at 7:30 p.m. at the Orinda Community Church building.

Conducted in an informal lecture and question-and-answer form, and meeting weekly for approximately six to eight weeks, the series will include History of the Church, The Book of Common Prayer, Symbolism as Visual Education, The Faith of the Church, The Sacraments and other phases of religious education.

Rev. Hill extends a cordial welcome to all who wish to be confirmed, and also to those who wish to learn more of the Episcopal Church or who desire a refresher course in churchmanship.

Resuming meetings this fall, the Young People's Fellowship of St. Stephen's will gather every Sunday evening at 7:30, at the Vicarage, 101 Las Vegas Road in Orinda, beginning this Sunday.

Open to young people, from high school freshmen and including all teen-agers, the Fellowship promises to be an exceptionally active group this year due to the new vicar's long experience and success with youth groups throughout the Southwest as counselor and athletic coach.

Weekly Holy Communion Service will be held each Friday morning at 10 o'clock, beginning October 3, at the Vicarage, in the new Holy Room which has been prepared for that purpose.

Shopping at home means real convenience for you.

'Word of Life' Topic on Sunday

Orinda Community Church will participate Sunday in the nationwide celebration of the publication of the Revised Standard Bible, called by scholars "the most important publishing event in 341 years."

Speaking at 11 o'clock on "The Word of Life in Living Language," Rev. Fred R. Morrow will give the story of the new translation which will be officially released for sale one September 30. A display of Bible versions will be on exhibit in the chapel narthex.

Two services will be held, the first at 9:30 with Dorothy Turk at the organ and Mr. Morrow and Ray Fowler leading the worship. Following the early service there will be a discussion for adults on the question of Proposition 3. John McFarland, Dr. Frampton Price and Mrs. A. V. McLeod are a committee to plan this and future sessions.

At 11, Daniel Popovich, organist will accompany the choral and congregational singing and play three numbers, Reverie by Debussy, Be Thou Near by Bach and Festival Toccata by Fletcher. Margaret Popovich directs the chapel choir in MacFarlane's "I Will Lift Up Mine Eyes." The Sunday school meets both at 9:30 and 11 o'clock.

Doll Fair Termed Successful—Ends This Afternoon

With today's showing of the Doll Fair at the estate of Mr. and Mrs. Harvey B. Lyon of Woodland Lodge, Lafayette, the five-day, highly-successful affair will come to a close.

Juniper Branch of the Children's Hospital of the East Bay will sponsor the show today starting at 11 a. m.

Tickets may be obtained by contacting Mrs. Lyon at Orinda 7871.

THE FAIR, which started last Saturday, has featured the private doll collections of 26 members of the Oakland Unit, United Federation of Doll Clubs.

UNDER THE sponsorship of Hospitality International, members of the San Francisco Counsular Corps and their wives were shown the fair Sunday. A motorcade was formed at the Oakland City Hall to take the group to Orinda. Highlighting the afternoon was a cavalcade of water sports at the Lyon pool and a speech by Danilo Brugal of the Domincan Republic.

On Monday, the fair was sponsored by Acalanes Chapter, Daughters of the American Revolution. The committee included the Mesdames A. L. Ammen, Matthew Allen, Leroy Anderson, Ernest Ford and Andrew Young. Camp Fire Girls and Girl Scouts were shown the fair Monday by members of the D. A. R. Ro-Ann Cradle No. 1 of Booth Memorial Hospital sponsored the show Tuesday.

MRS. LYON served as general chairman. She is a regent of Acalanes Chapter, D. A. R., member of Ro-Ann Cradle, and an enthusiastic doll collector.

Mrs. George Pacini and Mrs. Frank Leach, both of Lafayette, have helped Mrs. Lyon with arrangements. These women have made attractive pale blue papier mache farmer dolls which have been attached to each box lunch sold at the fair.

Scout Meeting Held

First meeting of Scout Troop 200 following the summer vacation was held Monday night at the Scout Hut.

Home and GARDEN

Bulbs, Lawns, Perennials – Here Are Timely Bits of Advice on All of Them

By BERT WRIGHT

BULB PLANTING TIME IS NEAR . . . get a copy of your garden supply dealer's bulb catalog and select varieties you will want to plant late this month and in October.

During this planning session keep in mind the color, height ad blooming season. Make your bulb beds and borders with a plan in mind that will assure harmony and beauty.

LAWNS . . . Fall is nature's chosen lawn making time. If you don't have the dense heavy sod you would like in your lawn, now is the time to get to work.

The secret to lawn success is early fall seeding and liberal feeding of complete plant food.

PERENNIALS . . . Inspect your perennial bed and borders. If some of them produced small blooms this past summer or if the stems are crowded, they probably need dividing.

Cut off and burn all top growth as soon as they die down. This will prevent wintering over of many insects and disease in the plant stalks and leaves.

LAWN WEEDS . . . The cooler weather may have brought a new growth of weeds into your lawn. If so, get out your sprayer and selective lawn weed chemicals (2-4-D), and control them to make room for fall seeded grass.

OXALIS BULBS . . . These bulbs can be potted in September. Use a loose, porous and fertile soil. Give the plant plenty of sunlight and water during the growing season.

When blooming is over, reduce the water gradually and store in a dry place in cellar, leaving the bulbs in the pot.

GREEN MANURE . . . Sow winter rye (two lbs. per 100 square feet) in the vegetable plot and other bare areas this fall. Spade the rye under next spring, thus adding to the humus supply of the soil and improving the structure.

Feed the rye liberally at planting time; you will not lose this plant food, it will merely be stored in the tissues of the rye plants until next summer, when decay will release the valuable nutrients slowly.

This Is Time to Dig, Store Bulbs

Now's the time for digging up bulbs and storing them, what with frost-weather not too far distant.

Bulbs stored through the fall and winter remain fresh and ready for spring planting, if proper temperature and moisture control are provided.

An easy way to maintain such control is to use vermiculate as packing material. Bulbs placed in this granular mineral are protected against freezing, rapid temperature changes and excess moisture.

Any covered container can be used for storage, such as a box or corrugated paper carton. Vermiculite is poured from its bag into the container. The bulbs should be placed so that vermiculite covers each bulb, with no bulb touching another.

The box should be put in the coolest spot in the house, but where the temperature is not likely to drop below 32.

Some Pointers For Playroom Of Youngsters . . .

Here are some ideas for the design of a modern and practical playroom.

A complete wall of closets with flush doors, the handles set low so that youngsters can manipulate them without adult assistance. The toy closets should encourage putting-away habits by being easy to keep neat.

Try to have adjustable rods for clothes closets. These may be inched up, year by year, as the child advances from toddler to teen.

Supply a desk for writing, drawing and storage of scrap-books. This need be no more than a sturdy box dressed up with paint.

Widen low windowsills and resurface them to provide either additional storage or play activity area.

Christian Science Sermon Subject To Be 'Reality'

"Reality" is the subject of the Christian Science Lesson - Sermon to be read on Sunday. Scriptural citations in the sermon will include these verses from I Peter:

"Blessed be the God and Father of our Lord Jesus Christ, which according to his abundant mercy hath begotten us again unto a lively hope by the resurrection of Jesus Christ from the dead, To an inheritance incorruptible, and undefiled, and that fadeth not away, reserved in heaven for you" (1:3, 4).

From the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, this correlative passage will also be read:

"Gladness to leave the false landmarks and joy to see them disappear, — this disposition helps to precipitate the ultimate harmony. The purification of sense and self is a proof of progress. 'Blessed are the pure in heart: for they shall see God' " (p. 324).

Contractors Slate Picnic Tomorrow

The third annual bar-b-que of the General Contractors Association of Contra Costa County will be held tomorrow at Marsh Creek.

According to Chairman Horace Davi, the bar-b-que will consume the whole day with games starting at 10:30 a.m. Present plans provide for a steak dinner, free beer, ice cream, and soda pop, games for both children and adults, swimming, dancing and the standby of all picnics, a baseball game with prizes for all events.

Spotlighting the Strip . . .

By KITTY COLE

FRIDAY NIGHT is the big night, and LUISIANI'S is pamted and polished to the nth degree. The Shriners and the Purveyors have had a preview of the delicious food and all-new decor, and now the public is cordially invited to come in and meet their neighbors the LUSIANIS and MORTARAS. Having been "in" on the clubs plans for sometime, I made the first reservation for opening night, and I hope to see you all there too. And wait till you taste "MOM" LUSIANI'S raviolil! Hm-mm-good.

DICK LANE QUARTET plays for dancing, and they have something very different in the way of drummers. But go see for yourself . . . If your problem has been finding a quiet, restful place to enjoy luncheon, while shopping in the Walnut Creek area, I've got news fr you!! On October 1st, FAUST'S, that beautiful restaurant in the Broadway Shopping Center, will begin serving luncheon daily, from 12:00 till 3:00. Dinner hours will be from 5:00 to 10:30, as usual, and the cocktail bar opens at noon . . . Note from DANNY VAN ALLEN'S: To those who have called for reservations for the Football Tour, we have been sold out since Monday for this week's game, so call early, to insure a spot for you and your party for future games . . . S. O. S. initials of the restaurant of the same name, could well stand for "Specialist's of Spareribs". The huge barbecue pit, right up front in the dining-room, is fired on Fridays and Saturdays, and the ribs are cooked to order. This is one spot where you can be sure of getting the best cuts of meat. I, personally, have watched JACK CAPELLE preparing the meat, and know how particular he is. His concern pays off again and again in the steady flow of "repeat" customers . . . Talk about the luck of the Irish. JANE KUHL of the LESCURE PLUMBING CO., may not be Irish, but she should be lucky. Not only has she found many four-leaf-clovers in her lawn, but five-leaf-clovers, too. All duly pressed and framed . . . Have heard it said, that many of RICK'S car-hops look like fashion models, and in fact, one of them is just that. Models at Joseph Magnins during the day, and works at RICK'S MONUMENT DRIVE-IN at night. A very attractive girl, I might add . . . Am often asked why RUTH THOMPSON is seldom mentioned with DON, in connection with CAPE COD HOUSE. Main reason, is RUTH'S pre-occupation with the ORINDA CROSS-ROADS. This spot is her baby, and she's much in evidence there, while at CAPE COD HOUSE, DON dishes out the fishes . . . JIMMY DIAMOND (whom I've known for years as JIMMY BLUM) has taken his group in to the ORINDA WILLOWS to play for Sunday night dancing. And from Monday on, you can hear PEPE LANDEROS, thus making the WILLOWS the only spot on the strip, with dance music seven nights a week.

when you give your friends time to answer you'll complete more of your calls. You know, people can't always get to the telephone to answer the moment it rings. They may be busy in some other part of the house, in the garage, or outside in the yard. But if you'll give them plenty of time to answer . . . at least a full minute . . . you'll not only save yourself the inconvenience of having to call again later, but waiting those few extra rings is a courtesy your friends will appreciate.

Sewer District Needs Citizens' Committee

Now that we have a new Board of Directors for the Central Contra Costa Sanitary District, a key question in the minds of citizens throughout this area is: How can the efficiency of the district be improved?

That the question is one of immediate concern, and not merely of an academic nature, was shown by the fact that it was a major part of the election campaign of the victorious candidates.

In fact, the three new directors — Frank W. Salfingere, Ernest Spiegl and Irving C. Roemer — all declared, in answer to a SUN query prior to the election, that they would be willing to cooperate with a citizens' committee investigation to improve Sanitary District efficiency.

So it now seems logical and pertinent to ask: Why not take steps, right now, for formation of such a committee?

SETTING UP OF a citizens' investigating committee would in no way reflect on the ability or integrity of the district board.

It will be recalled that a few years ago the County Grand Jury recommended that a new accounting system be put into effect by the Sanitary District Board. That recommendation was carried out. And the Grand Jury members who suggested the step were, of course, just citizens performing their duty of studying problems and giving advice.

A citizens' advisory group on Sanitary District matters might be even more effective than a Grand Jury — because, although its members would not be an official county body, the committee would consist of residents of this area.

TO ASSURE THE necessary close cooperation between such a committee and the Sanitary District Board, it would seem advisable that the members of the board — or at least some of them — should be ex-officio members of the committee. In this way, there would be a smooth-functioning and practical direction to the work.

Recommendations of the committee would be suggestions, to be decided by the board.

The SUN suggests that immediate steps be taken to form a citizens' committee for this purpose, and that the committee be made up of men and women of specific talents and expertness.

For instance, businessmen, attorneys, accountants and engineers should be included on the committee. Each of these persons would be applying his own specialized knowledge to the common problems of all of us in the Sanitary District.

Men who efficiently run their own businesses and men with experience in particular professional fields could certainly put their talents to use for the benefit of the district. It has been suggested by some that perhaps the committee, out of funds from its own membership, could hire an efficiency expert to help guide the work.

THE WORK FOR such a citizens' committee is urgent. Very grave problems face the Central Contra Costa Sanitary District.

Within five years, the sewage disposal plant will be operating at capacity. From where will the money come, for the building of additions that will certainly be necessary?

The probable answer, from the looks of things now, is that a new bond issue will probably be required. The voters will have to decide on that, of course.

Another serious problem is the matter of annexations to the district. Each time a new area is annexed, we come closer to the time when the plant will be operating at capacity and when additions will have to be built.

The current $85,000 deficiency in the Sanitary District budget (that is, that much is lacking for work considered necessary) points up the entire picture. And the picture, needless to say, will grow even sharper during the next few years.

It might be noted in passing that the controversial garbage franchise ordinance would not nearly bring in the required revenue. At best, the income from that source would be "a drop in the bucket."

These facts indicate clearly the gravity of the problems confronting the Central Contra Costa Sanitary District. It is up to the new Board of Directors and the citizens of the district to solve those problems.

Scouting Depends on Your Dollars

THE 'HIGH SIGN'? Not exactly but Cub Scout Peter Knudsen of Lafayette and Brownie Sandra Monroe of Pleasant Hill certainly hope that you'll give generously to the $39,000 Diablo Area Joint Boy Scout Girl Scout Fund Drive which gets under way today. Every cent you give will go to the scout organizations in this area. The Boy Scouts and the Girl Scouts will share equally in the money raised. With their handclasp symbolic of the joint campaign, Peter gives the Cub salute while Sandra gives the Brownie salute.

U.C. Course on Planning Starts Here Tuesday

A course on problems and techniques in city and regional planning will be given by University of California Extension at Acalanes High School starting next Tuesday evening at 7:30. The class will be held every Tuesday night at that hour, during the fall term.

Francis J. Violich, former senior planner for the City of San Francisco and member of the U.C. architecture and engineering faculties, will teach the course. His discussion will focus principally on Bay Area conditions.

Subject matter will include the role of the planning agency in local government, the concept of the master plan, and planning methods for zoning, subdivisions, public works programs, housing and urban redevelopment. Current planning programs throughout the United States will be discussed in terms of application of those techniques in the Bay Region.

Day of Recollection For Catholic Women

Supervisors Continue Rent Controls For Unincorporated Areas of County

RENT CONTROLS IN UNINCORPORATED areas of the county were extended beyond the September 30 deadline by the Board of Supervisors on Tuesday — but an accompanying resolution urged special consideration to permit withdrawal from controls, if they wish, by Walnut Creek, Lafayette, Orinda, Moraga, Danville, Alamo, Tassajara and Martinez.

Reason for this request to the Rent Control Advisory Board is that they are considered outside of critical housing areas. Rent control officials said that recommendation for withdrawal can be made if a survey shows no critical housing shortage.

QUARTER-ACRE AGRICULTURAL LOTS ASKED

Minimum lot sizes of a quarter-acre for agricultural areas, instead of the present half-acre, were recommended in a 20-page report submitted to the Board of Supervisors Tuesday by George H. Cardinet Jr. of Concord, general chairman of a citizens' advisory committee on land and subdivision problems.

The supervisors set October 15, 3 p. m., for a meeting with the citizens' committee and the County Planning Commission. At that time the report of the citizen-group subcommittee on sewage and water pollution, filed a few weeks ago, will probably be discussed, too. That report recommended a county appropriation of $75,000 for an immediate survey.

THIRD HEARING ON PLANNERS' SETUP

Proposed reorganization of the County Planning Commission, with a "revolving committee" suggested for handling land use permits, came up for second public hearing before the planners Tuesday night but, at request of Attorney Gordon Turner of Martinez for further study, a third public hearing was set for October 17.

This hearing will probably be in the aftetrnoon, according to Assistant Planning Technician Russell Griffith.

A land-use committee, it is argued, would enable the commission and its technical staff to devote more time to long-range planning.

Christian Endeavor Societies To Meet

Christian Endeavor Societies of Contra Costa County will hold a three-day convention October 3, 4 and 5.

The convention will be at the Walnut Creek Presbyterian Church. Registrations at 25 cents now are being taken.

A special congregational meeting of the Presbyterian Church will be held following the prayer meeting Wednesday evening.

Heads Demo Women

Mrs. Steven Welsh, Martinez, has been named chairman of the Democratic Women's Division of the Condon-for-Congress Committee of Contra Costa County.

She will make her headquarters in Martinez at the Democratic headquarters soon to open in Martinez.

Governor Warren Endorses Baldwin

Gvernor Earl Warren in a formal statement this week announced his support of John F. Baldwin, candidate for Congress in the new Sixth District, comprising Contra Costa and Solano counties.

Endorsement was made in a message to Lindsey Spight, general chairman of the campaign of the Martinez attorney, who was chosen as a "grass roots" candidate by Contra Costa and Solano citizens.

Baldwin already has endorsements of U. S. Senators Richard Nixon and William Knowland and Lieutenant Governor Goodwin Knight.

Dinner for Condon

Assemblyman Robert L. Condon, Democratic nominee for Congress, will be honored by the Ladies Auxiliary of the Oil Workers Intetrnational Union, C. I. O., with a testimonial dinner in Martinez Thursday.

Mrs. Florence Robison, chairman, said dinner will start at 7:30 p. m. and tickets are $2.50 per person.

Great Books Course Offered at Acalanes

A first year Great Books course is being offered by the Acalanes Adult Center.

It began Wednesday and will be held at 7:30 p.m. every second Wednesday in the Acalanes High School library.

Raymond Feichtmeir of Walnut Creek is the instructor. Registration may be made at the class.

Demo Hdq. Opens

Democratic headquarters for Central Contra Costa County will open in Walnut Creek at 8 p. m. Tuesday at 2009 Mt. Diablo Boulevard.

William Milliff, chairman of the local Democratic organization, has invited all interested Democrats to attend the opening party. After a business session, refreshments will be sreved.

Milliff urged all Democrats to help in the campaign to elect Stevenson and Sparkman, and the local candidates, Bob Condon for Congress and Hal Mutnick for the Assembly.

The new office, which will serve Walnut Creek, Lafayette, Orinda, Danville and Alamo, will be open daily except Sundays, from 10:30 a. m. to 4:30 p. m.

Telephone Sylvia Nesbitt at Walnut Creek 7944 or Walnut Creek 4239, or Bill Milliff at Walnut Creek 9383.

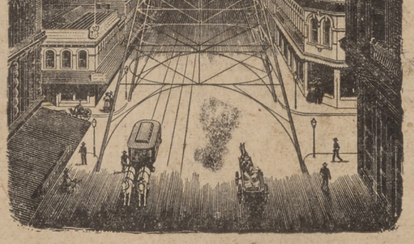
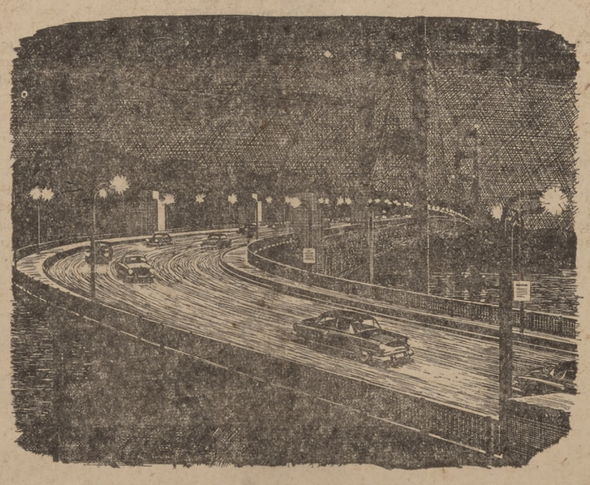
100 YEARS EXPERIENCE
Bringing light to the streets and highways of the West

1852—*Founded as the San Francisco Gas Company, P.G. and E. introduced the first gas lights to Western cities.*



1879—*Much brighter than the gas flame was the new electric arc light, like this one atop famed old San Jose tower, 237 feet high.*



1952—*Modern lights cut through fog and darkness to bring greater safety to California thoroughfares.*

In our first century, we've seen lights go on all over the West, brightening streets to help the movement of traffic, reduce crime. And better lighting costs so little! Today you pay $2.50, on the average, for the same electricity that would have cost $20 when P. G. and E. service was young. A century of experience has made good gas and electric service cheap throughout Northern and Central California!
